the TOWN/COMMUNITY

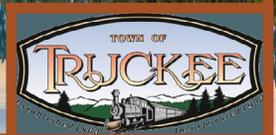

NESTLED JUST OVER THE SIERRA NEVADA MOUNTAINS, Truckee is bisected by interstate 80 and the Truckee River, and is just one and a half hours northeast of Sacramento, or 30 minutes from Lake Tahoe's north shore. The Town of Truckee's approximately 33 square miles are located in Nevada County, California. The Town has existed for over 150 years, and incorporated as a municipality in 1993 and today has evolved into a destination hot-spot for outdoor enthusiasts who enjoy year-round winter and summer activities. The Town has over 16,800 year-round residents (50% of Truckee's homes are occupied year-round, adding another 20,000+ residents in the summer and on holidays), and over 160,000 visitors annually.

Representing the town's constituency is an engaged **five-member town council** committed to maintaining an excellent quality of life for all who live here, and promoting a transparent, safe, responsible, inclusive government. Truckee staff work hard to accomplish the Council's goals, and keep community members informed and engaged, via numerous **boards, committees and commissions** where constituents have a say and make an impact on the community they live in. The Town of Truckee is not a full-service city but has five departments: Community Development, Administrative Services, Town Clerk/Communications, Public Works and Engineering, and Police and Public Safety. Additionally, the Town is served by several special districts including: electric and water service, sanitation services, waste disposal, a local airport, parks and recreation facilities, a hospital district, and a fire protection agency. For a link to more information regarding these districts, visit the Town's **Community Utilities and Services** page on the website.

RECENTLY LISTED ON THE NATIONAL REGISTER OF HISTORIC PLACES, Truckee's identity is rooted in its history as a logging town and settlement for construction of the transcontinental railroad in the 1860s, and the location of the infamous Donner Party tragedy. Today, its old western-style, quaint downtown is the site for a walkabout town with charming shops, superb restaurants, an artistic hub, historical sites, boutique gift and bookstores, and several galleries. Truckee is well known for its 245 sunny days per year (however has heavy snow in winter), an extensive mountain range (500 distinct peaks, over 12,000 feet high, and receives more snow than most other ranges in North America), beautiful lakes, hiking and biking trails (including the Emigrant Trail), road biking, several surrounding ski resorts, camping, fishing, and just about anything else that has to do with the outdoors.
